

Dilled Tuna Salad

Printed from Tuna Recipes at <http://www.tunarecipes.net/>

I love this tuna salad because it is very fresh and herbaceous. It has a lemony base dressing and lots of fresh dill. This is best served on a warm summer's day especially with a cold glass of sauvignon blanc. Makes 2 cups.

Ingredients:

2 can oil packed yellow fin tuna
1/4 cup chopped red onion
1/4 cup chopped celery
1/4 cup mayonnaise
1/4 cup olive oil
juice of two lemons
1/4 cup chopped dill, about 1 bunch
salt and pepper, to taste
6 leaves butterhead lettuce, chopped

Directions:

1. In a medium bowl combine all the ingredients except the lettuce and mix thoroughly.
2. Season with salt and pepper.
3. Serve atop a bed of lettuce.
